MEMORANDUM FOR: Director of Personnel

SUBJECT: Activities

1. Pursuant to your verbal instructions 10 January, attached list of military activities that should be thoroughly examined with a view to possible saving in both personnel and operating costs, is submitted.

2. Although I have visited these activities several times and talked to the military people on the site and had conversations with them on their return to their parent service, I do not set myself up as an expert. I am sure there are some conditions that I am not aware of. On the other hand I am convinced that many of these activities and personnel are definitely on the luxury side. /
